#### **Trust Mission Statement**

We are a partnership of Catholic schools and our aim is to provide the very best Catholic education for all in our community and so improve life chances through spiritual, academic and social development.

We will achieve this by:

- Placing the life and teachings of Jesus Christ at the centre of all that we do
- Following the example of Our Lady of Lourdes by nurturing everyone so that we can all make the most of our God given talents
- Working together so that we can all achieve our full potential, deepen our faith and know that God loves us
  - Being an example of healing, compassion and support for the most vulnerable in our society

#### 1. Freedom of Information Act

This publication scheme commits the Our Lady of Lourdes Catholic Multi-Academy Trust (OLoL CMAT) to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the OLoL CMAT.

Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

The scheme commits the OLoL CMAT:

- To specify the information which is held by the OLoL CMAT and falls within the classifications below.
- To proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.
- To produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- To review and update on a regular basis the information the OLoL CMAT makes available under this scheme.
- To produce a schedule of any fees charged for access to information which is made proactively available
- To make this publication scheme available to the public.
- To publish any dataset held by the OLoL CMAT that has been requested, and any updated versions it holds, unless the OLoL CMAT is satisfied that it is not appropriate to do so; to publish the dataset, where reasonably practicable, in an electronic form that is capable of re- use; and, if any information in the dataset is a relevant copyright work and the OLoL CMAT is the only owner, to make the information available for re-use under the terms of the Re-use of Public Sector Information Regulations 2015, if they apply, and otherwise under the terms of the Freedom of Information Act section 19.
