

Year 3

Newsletter

Welcome Back!

Welcome to Key Stage Two! I'm so excited for everything we are going to learn and achieve together. We'll be explorers, mathematicians, scientists, and authors. We'll work on amazing projects, solve big problems and create incredible things.

I can't wait to see everybody's curiosity grow and to watch everybody become even more amazing versions of themselves. Let's make this a year full of learning, friendship and fun!

Mrs. Hunka

Timetable

MONDAYS – Bring in homework.

TUESDAYS – Times tables test

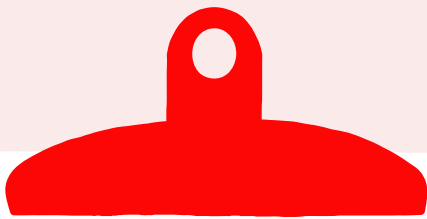

WEDNESDAYS – Spelling Test.

THURSDAYS – PE. Children to come to school in full PE Kits. No earrings or jewellery.

FRIDAYS – Fitness. Children to come to school in full PE Kit. No earrings or jewellery.

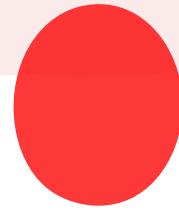

Reading at home

Setting aside just 10 to 15 minutes each night to read with your child can make a world of difference. This isn't just about reading words on a page; it's a special time that strengthens the bond between you and your child. This simple routine can significantly boost their vocabulary, improve their ability to concentrate, and help develop a lifelong love of reading. Sharing a book together exposes them to new words, different worlds, and important ideas, which in turn builds their comprehension skills. It's a key part of laying a strong foundation for their success in school and beyond. Most importantly, it's a cherished ritual that creates lasting memories and shows them that reading is a valuable and enjoyable activity. Please ensure that your child brings in their reading diary on Wednesday for its routine check, in which we will expect to see a comment from an adult about the book.

Classroom Highlights

Welcome to a new school year! This half term, we will begin to build on the work from transition day, creating a display about us as a class community. We will be looking at school rules and mission statement leading into the first R.E topic of 'Creation and Covenant'.

Upcoming Events

Harvest Festival mass

Black History Month assembly in October.

Our Celebration of the word assembly

Homework

Spellings to learn

Reading at home daily

Numbots

Multiplication facts to learn
Use TTRS for your times tables

Important Reminders

Please help us by labelling all of your child's belongings, especially jumpers, water bottles and lunchboxes, so we can make sure everything gets returned to its owner. Additionally, please ensure your child brings their reading book and reading diary to school every day. We will check the diary weekly for your signature and comment, as this simple routine is a huge help in supporting their reading journey.
